

The State Motor Pool provides you with accessible, conveniently located passenger vehicles from compact sedans to 15 passenger vans. The Motor Pool has been providing quality vehicles for your needs for over 50 years. Our vehicles are clean, well maintained, fueled and ready for your trip.

The State Fueling Station at 301 E. 7th St dispenses E10 and E85 fuel from 5:00 a.m. to 11:00 p.m. seven days a week. Fuel dispensed at the State Fueling Station does not include federal and state motor fuel taxes (\$.33 per gallon).

Late Return:

1/2 hour up to 2 hours late \$10.00

2 hours up to 8 hours late \$20.00

8 hours up to 24 hours late \$25.00

Each additional whole or fractional day \$25.00

Please help us provide timely service to all our customers by returning cars promptly (on schedule). If we have to lease a vehicle because of the late return of a Motor Pool vehicle, the full cost of the leased vehicle(s) may be assessed to the department in lieu of the scheduled late charges.

Cleaning Charges:

In order to provide you with clean vehicles, we ask that you do your best to return your car in the same condition as when it was received. Vehicles returned to the Motor Pool that require more cleaning than normal for the next customer may be assessed cleaning charges. Charges will range from \$15.00 to \$40.00, depending upon the additional time required.

Fuel

E-10 is sold at contract price plus 8¢ per gallon administrative fee.

E-85 is sold at contract price plus 20¢ per gallon administrative fee
